

## BUFFALO BOOSTER CLUB INFORMATION SHEET 2009-2010

### ***BENEFITS OF BOOSTER CLUB.....***

The purpose of the club is to promote and sponsor activities of all the students of Onaga High School to help promote school pride and spirit to all Onaga Buffalo fans in the community!

***FUNDRAISING*** - The Booster Club sells various apparel and outwear such as t-shirts, sweatshirts, ear bands, stocking hats, sunglasses and coats to help promote the school pride and spirit to their fans. The biggest money raiser to fund all these projects is the food stand at the Pottawatomie County Fair. The Onaga Lions Club allows the Booster Club to work their stands during the fair. Every other year the boosters have the big stand in which the club supplies everything from food to workers. The following year the boosters run the small stand at the baseball field which runs through the night usually Friday and Saturday nights of the fair. Here the club only have to supply the volunteer workers. The Booster Club appreciates all the volunteers who make this fund raising activity possible.

***MEETINGS*** - An annual meeting is held in the fall to plan for the new school year activities which includes election of officers. The club has additional meetings throughout the year as needed while the club officers meet numerous times throughout the year for coordinating upcoming events. Any ideas or suggestions on how the booster club can better support our students and school are always welcome.

***MEMBERSHIP*** - A membership drive is held in August and current cost is \$10 per family per year or \$100 for lifetime membership.

***COMMUNICATIONS*** - Plans are to implement a booster club web site and to generate an email distribution list.

***ACTIVITIES AND SPONSORSHIP*** - The following is a list of activities and projects the Booster Club has provided over the years to promote the students and school. It has taken many, many volunteer hours by the Buffalo parents and fans to accomplish all these projects and activities.

- ★ Provide sack sandwich meals for away football, cross country, volleyball basketball, wrestling, track and golf games as well as FFA, Chess, and scholars bowl. Averages about \$900 per year.
